

JB4 Connect Kit (Pinned Power) Install Guide

04-13-2020

1) Open the JB4 enclosure.

2) Install the DB9 connector and ensure both screws are secure.

3) Put the JB4 enclosure back together.

*****Very Important*****

4) Ensure the Connect Kit **IS NOT in direct contact with the metal JB4 enclosure or any other nearby metal. Aim the smaller side of the Connect Kit (circled below) **DIRECTLY** towards the driver's seat for best signal quality. Failure to do this may lead to connectivity issues.**
